### PBH Residential Care Homes Standards:

PBH Residential Care Homes builds small Licensed B aging-in-place facilities that accommodate between 6-12 "young-at-heart" residents, ranging from very active to mobility-impaired, who need full-time care. For every home, The PBH team abides by licensing requirements set forth by the Department of Aging and Disabilities Service (DADS), as well as their own defined standards they feel creates a loving, safe and "dignity first" home for their residents. PBH Residential Care Homes standards include:

- **Retaining Dignity – Protecting the residents' dignity is the top priority.**
  - Kind and respectful personal assistance
  - Private/semi-private rooms with bathrooms shared by no more than two residents
  - Special attention to individualized care of residents and their varying needs
  - Encourage independence to promote physical and emotional health, while respectfully giving each resident the supportive help they need.
